

A Word from Our President:

Dear Friends,

It is my custom to look back before looking forward. Once again, this new year has proven that to be so. In my review, I considered seventeen years of this ministry's history, beginning with just three women (Rock Steady Sisters) who committed to attending to learn more about God and His Word and how to apply it to our spiritually starving lives. As the "teacher," I realized this dedication was one I could not fulfill on my own. But I knew that when God calls, He equips. Women at the Well is living proof.

Oh, the importance of small things. Nothing is too insignificant for God's purpose. I'm mindful of the mustard seed's growth, a boy's lunch of nothing more than a couple of fish and some bread, and three devoted women. The snapshots of examples scattered across my memory are too numerous to share. We show up with what we have, and the Lord multiplies according to His richest grace and sovereign plan.

Whether you have contributed through your presence at our weekly Bible classes, biannual events, social gatherings, or through monetary gifts of any amount, I want you to know that it all matters. Small things are crucial because they build significant outcomes.

On behalf of Debi, Kelli, and me, thank you for your association with Women at the Well - San Diego. May God continue to bless our "small things."

My best love,

Diane

What we do is based on the ultimate goal of cultivating opportunities for others to be exposed more consistently with God's Word and how to, by faith, apply it to their lives thereby producing a transformed life.
